To the Citizens of Pike County:

This report is an abbreviated summary of services provided by Pike County Health Department (PCHD) for Fiscal Year 2016, December 1, 2015 through November 30, 2016. A full report is available on the PCHD website at www.pikecoilhealth.org.

Fiscal Year 2016 marked the 50th Anniversary of providing services for the residents of Pike County. Established by a County Board Resolution, Pike County Health Department opened on July 1, 1966 in a room, upstairs, in the Pike County Courthouse. Martha Lowry, RN was hired as the 1st Administrator to organize and carry out the services of a county health department and home nursing visits for Medicare eligible elderly residents. The budget was slightly over \$18,000, including \$10,000 from the state. PCHD services and programs quickly grew. The Illinois Department of Public Health certified the agency in 1971. In 1972, the Board of Health petitioned to be a referendum health department, which would allow local tax based funding. The referendum passed in 1973.

Over the years, PCHD has had 4 Administrators including myself: Martha Lowry, RN 1966-1990; Judy Schlieper, RN, BSN, CPNP, 1990-1998; Lyndy Wilson-Burrows, MPH 1998-2002; Anita Andress, RN, BSN 2003-present.

Numerous Pike County residents have served on different committees and the Board of Health. We dedicate this report to the former Administrators, as well as, past and current employees, committee members, Boards of Health, County Boards, and other elected officials, community partners and County Residents.

Respectfully submitted,
Anita Andress, RN, BSN
Administrator

PIKE COUNTY BOARD OF HEALTH

Katherine Rowles, RN, BSN, *President*
