PIKE COUNTY DENTAL CLINIC NOW ACCEPTING ADULTS

The Pike County Dental Clinic administration and staff are pleased to now offer appointments for adults who have coverage through the Illinois Medicaid system. Effective July 1, 2014, the Illinois Department of Healthcare and Family Services reinstated covered dental services for adults. While the covered services have some limits, adults with Illinois Medicaid coverage are encouraged to call the Pike County Dental Clinic at 217-285-5311 to schedule an appointment.

Since opening in December, 2013, over 580 children, from 33 area zip codes, and from nine Illinois Counties have been seen at the Pike County Dental Clinic, located at 606 W. Adams St. in Pittsfield. The Pike County Dental Clinic is owned and operated by the Pike County Health Department. Dr. Stephen Liesen serves as the Volunteer Dental Director and Dr. Kim Speckhart serves on the Oral Health Advisory Board. Dental Clinic staff, Dr. Sreekanth Emani, and dental assistants, Meggan Arnold, Laura Ruzich and Angie Stover are excited to offer services for adults, as well as for children. For more information, call the Pike County Health Department at 285-4407. To schedule a dental appointment call the Pike County Dental Clinic at 285-5311.
