Immunization Clinic and TB Screening

Due to circumstances beyond our control, PCHD will not be conducting TB screenings on 9/5/17 and will be cancelling the immunization clinic scheduled for 9/6/17. For those that have appointments scheduled for those dates, please call to reschedule. We apologize for any inconvenience.

PCHD offers TB screenings on Mondays and Tuesdays with a return visit required in 48-72 hours to have the test read.

Immunization clinics are held the 1st and 3rd Mondays of the month from 1:30 – 6:00pm

For more information:
