Health Department Services Resumed

As of November 9, 2015, Pike County Health Department, public health services are all operating as usual. After helping last week with client phone interviews related to a food borne outbreak, public health nurses are once again conducting their normal duties. Services such as WIC, family planning, and Immunizations are once again available.

Other services, such as those through the Dental Clinic and Home Health were not interrupted and have continued as usual.

For more information, call Pike County Health Department at 217-285-4407.
