

PIKE COUNTY HEALTH DEPARTMENT

EQUAL OPPORTUNITY EMPLOYER AND AFFIRMATIVE ACTION PLAN

EVALUATION ENDING NOVEMBER 30, 2017

OBJECTIVE 1. Employee applications and personnel policies will be reviewed annually and material which might be judged discriminatory will be removed.

Evaluation: Employment applications were reviewed by administrator and personnel policy changes were approved by Board of Health 10-26-2017. There were no changes during the year related to equal opportunity.

OBJECTIVE 2. The following agencies may be contacted periodically to advise them that we are an equal opportunity employer, and that we accept applications from all qualified applicants for employment so that we might have applications on file for first consideration when job openings occur. Minority applicants will receive first consideration if they are equally qualified for the open position.

- a. Two Rivers Regional Council of Public Officials, JTPA
- b. General Assistance Office
- c. Pike County Senior Citizens Center
- d. Pike County Senior Services
- e. DORS
- f. John Wood Community College

Evaluation: Administrator speaks with representatives of Two Rivers, General Assistance, and John Wood Community College frequently. A Pike County Health Department staff representative attends monthly Pike County Social Service meeting of all agencies. We serve DORS clients and refer to DORS frequently.

OBJECTIVE 3. Open positions will be posted in-house, as appropriate. Current employees will be given the opportunity to apply when an opening occurs. They will be required to submit written request for consideration and will be interviewed. Applications on file and received in the 12 months preceding the open position will be considered for employment.

Evaluation: Six positions were posted in-house:

1 Full-time Director of Nursing, 3 Full-time or Part-time Home Health Nurses, 1 Full-time or Part-time or PRN Physical Therapist or Physical Therapy Assistant and 1 Full-time Health Inspector/Sanitarian.

One position was filled from internal applicants and three positions were filled from outside applicants.

OBJECTIVE 4. Postings and advertisements for applications for employment will continue to identify that we are an equal opportunity employer.

Evaluation: Six positions were posted and/or advertised – 1 Full-time Director of Nursing, 3 Full-time or Part-time Home Health Nurses, 1 Full-time or Part-time or PRN Physical Therapist or Physical Therapy Assistant and 1 Full-time Health Inspector/Sanitarian.

All postings and advertisements identified that we are an equal opportunity employer.

OBJECTIVE 5. The Administrator will be responsible for compliance with E.O.E. in hiring and upgrading for all persons.

Evaluation: Final approval and responsibility for compliance for positions was taken by Administrator in hiring, upgrading, and terminations of all personnel. All job applicants for job positions were white. There were no discrimination complaints this fiscal year.

As of 11-30-2017, there were 32 employees and 6 service agreements at PCHD. Of the 32 employees, 25 are full time and 7 part time. There are 30 female and 2 male with 32 being white. Service agreement staff with individuals includes 4 white female. Other service agreement staff are provided through a contract with Rehab Care Group and Advance Physical Therapy.

Full time staff increased from 24 to 25.
Part time staff decreased from 10 to 7.

LEAVE OF ABSENCES:

There were 6 medical leave of absences in FY 17.

RESIGNATIONS:

During FY 2017, there were 3 resignations.
(1 Home Health Aide, 1 Home Health Nurse, 1 Public Health Nurse)

RETIREMENTS:

During FY 2017, there was 1 retirement.
(1 Director of Nursing)

OBJECTIVE 6. Affirmative action policy statement will be included in personnel policies and posted conspicuously. All supervisory staff will receive a copy of policy statement and yearly plan and evaluation.

Evaluation: Equal Opportunity/Affirmative Action policy statement is included in the personnel policy manual and posted in the break room.
