## **COMMITTEE REPORTS**

### **Finance Committee**

The finance committee of the Pike County Board met at 5:00PM on December 12, 2018 in the conference room of the Pike County Government building. Members present were Amy Gates, Rodger Hannel, Jim Sheppard and County Board Chairman Andy Borrowman. Also present were Scott Syrcle, Brenda Middendorf, Justin Krohn, Sheriff David Greenwood and Natalie Roseberry.

Brenda presented information on the closeout of the revolving loan account. We have to write the check emptying the account at the end of this year and we can apply for a grant to recover that amount and we have a project that will qualify. We can also collect those loans that we feel are viable and purchase those. Rodger Hannel made a motion that we purchase \$57,155.66 of outstanding loans and Amy Gates seconded, motion carried.

Sheriff Greenwood reported he had some expenses that will be coming out of the sheriff's department budget. They are purchasing new uniforms, tasers, and putting decals on some cars. The tasers are to be paid for over a five year period and we should get a grant for \$10,000.00 from the county's insurance provider. We also had to purchase a new freezer for the jail.

Board members will remember from budget hearings that the state increased the salary reimbursement for state's attorneys. This was effective on July 1. However, we had not raised Zack Boren's salary until December 1, 2018. Zack had requested that his salary be adjusted retroactive July 1. We had checked with Scott Syrcle and he had stated that the checks from the state had indeed changed. Rodger Hannel made a motion to increase the state's attorney's salary retroactively to July 1 reflecting the increase that the state implemented. Amy Gates seconded and motion carried. This increase amounts to \$2837.10 annually.

On a motion by Amy Gates and a second by Rodger Hannel routine bills in the amount of \$100,693.80 were approved for payment.

Amy gates made a motion to adjourn and Rodger Hannel seconded. Motion carried.

Meeting adjourned at 6:06 PM

A few spelling/grammatical errors were addressed and will be reflected in amended minutes.

Amy Gates discussed an issue with holiday time and an issue that had risen in the Ambulance Department. It was reaffirmed that based upon the adopted resolution of county recognized paid holiday's, that observed holiday's set forth in the resolution will be paid as the holiday pay.

Motion to approve amended minutes made by Mark Sprague. Amy Gates seconded the motion. Voice vote 8-0 to approve.

### Public Safety

The meeting of the Pike County Public Safety Committee was at 7:00 p.m. on December 19, 2018 at the Pike County Ambulance Service.

Committee members present were Carrie Martin, Andy Borrowman, Amy Gates and Derek Ross. Others present were PCAS Admin Josh Martin, Jane Johnson, Payton McKinnon, Mark Mountain, Mark Sprague, Sheriff Greenwood and Corey Anderson.

Jane Johnson addressed the committee and asked for changes to the Pike County Food Sanitation Program Ordinance based largely on changes adopted by the Illinois Department of Public Health. The changes would reflect the 2017 FDA Food Code and delete portions of the County's ordinance which would be considered redundant. Two additions with the passage of this Ordinance include: The definition of Mobile Food Establishments and the incorporation of Food License Fees.

After much discussion, Gates made the following motion: To recommend to the County Board "A Resolution Enacting a Pike County Food Sanitation Program Ordinance as presented by the Pike County Health Department, to include statements where fees are set by the Pike County Board of Health and approved by the Pike County Board. Fees are to include annual renewal fee dates of July 1 to June 30 and a monthly fee rate for temporary establishments. The motion passed with a second by Ross.

Admin Martin, Sheriff Greenwood and the committee had a lengthy discussion regarding inmate healthcare costs. It was determined that billing between the departments can be worked out internally without need to involve Pro Billing.

After review of current salaries, procedures for giving raises and the annual budget, Ross made a motion to apply a \$0.50 per hour raise to all full and part time EMT's and Paramedics retroactive to December 1, 2018. Also, to increase the administrative assistance salary to \$27,900.00 annually effective December 1, 2018. Gates seconded the motion and the motion passed. The committee also noted that there are other duties beyond licensing standards that are required of EMS crew while on duty. Administrator Martin was advised to compile a list of these other duties and add them to the job descriptions. Moving forward, it is the hopes of the

committee to award salary increases based on performance in accordance with the job descriptions.

Further discussion related to the budget also led to the potential addition of a line item in revenue to account for other public safety use.

Administrator Martin shared that Pike County is officially a "Storm Ready County" and meets the standards set by the National Weather Service. There will be a ceremony to recognize Martin's efforts to make Pike County certified at a date to be announced.

Total Revenue for the Month: \$156,667.56

Total Expenditures: \$117,505.17

Surplus: \$39,162.39

A motion was made by Gates and seconded by Ross to pay bills in the amount of \$202,636.86

A motion was made by Ross and seconded by Gates to adjourn.

The Meeting adjourned at 9:40 p.m.

Amy Gates informed the board that the new ambulance has been delivered and is waiting inspection.

Discussion was held over the Pike County Food Sanitation Program Ordinance. Jane Johnson expressed her opinion to become non-compliance with the 2019 state standards. She advocated that making the necessary changes would help the Health Department become fiscally responsible. She stated that any fees would be approved by the county board. Rob Holcom, a grocery store owner in Pike County, expressed concerns over the ordinance stating that if the county is going to charge all people who sell food, then they all need to be inspected. He noted the cost of such and expressed his concerns on how these fees would affect the small business owners and even how this would work for non-profits.

Mark Sprague stated that the board would need a clean copy of the suggested fees and Amy Gates questioned whether there needs to be an amendment passed to allow the implementation of such fees. Jane Johnson stated the fees would be set by the county board and Andy Borrowman stated that some fees would be dictated by the State. Jane Johnson said fees could be recommended by the Board of Health. Andy Borrowman stated that the board would address this issue at the January Board meeting when there was a clean copy of the ordinance proposed.

Sandy Schacht reported the status of the contract with Marco and she formally announced that she will be taking up a different position within the Sheriff's department. As of January 1 she will be the administrator and will move away from her head of dispatch and 911 duties. She will continue to do IT work. We discussed the need to name a backup for Sandy since Ann Moffitt has left the county's employment.

We would like to invite Justin Krohn back for our meeting on January 16<sup>th</sup> at 5:00 p.m. to discuss some ideas he may have and how we can implement them.

### Economic and Community Development Committee

The Pike County Economic and Community Development Committee met at 6:34 p.m. on December 26, 2018 at the Pike County Courthouse. Those in attendance were Andy Borrowman, John Birch, Derek Ross and Amy Gates.

Pike County Funding Advisory Board met on December 17<sup>th</sup>, 2018. Those in attendance were Derek Ross, Justin Krohn, Andy Sprague, Gary Harpole and Brenda Middendorf.

Recommendations were made to fund the Civil War Reenactment at \$4281.00. Funding will be used for Kevin Knapp's Civil War Balloon Corps to portray how hot air balloons were used by both the Union and Confederate Army during the Civil War. This will be a new attraction for 2019. Funding is contingent upon rack cards from lodges being handed out in gift bags.

Funding of \$5000.00 was requested and recommended for RxFit Pike County to help with advertising, course clearing, equipment rental, entertainment, t-shirts and signage for a Fitness Festival at the Lake in early May 2019. The event will consist of an obstacle course trail run around the Pittsfield Lake. They anticipate between 200 to 500 participants. They were awarded \$2500.00 for this year because the event is not yet proved. If the event is successful and repeated, they would consider more next year.

Funding was requested and recommended in the amount of \$15,000.00 for Disc Golf at Pittsfield Lake. Funding will be used to create an 18 hole Disc Golf Course at Pittsfield Lake to be a draw for tourists. The course will host at least one annual professional tournament that will draw in overnight visitors to the county. Board recommended that they begin planning for sustainability. One way they plan to generate revenue for sustaining the course is through hole sponsors. The Lodges that are paying the Accommodations Tax will be given a hole sponsor sign for the cost of the material.

General discussion was held and the Tax Advisory Board recommended that in the future all grant requests include in their budget funding for a goody bag to provide information on the lodging establishments.

The Pike County Funding Advisory Board adjourned at 7:40 p.m.
