

# Pike County 708 Board Emergent Grant Funding

---

The Pike County 708 Board will begin awarding mini-grant opportunities in Pike County. The Pike County 708 Board utilizes Pike County property tax dollars to ensure the availability of services in the areas of mental health, substance abuse prevention/intervention, and developmental/intellectual disabilities for all Pike County residents.

The Board will accept applications for Emergent Grant funding from individuals, public, and private entities pursuant to the authority contained in the Community Mental Health Act, ILCS, Chapter 405, Act 20, Section 0.1, and et. seq.

The Pike County 708 Board set aside funds for the Emergent Grants to provide additional funding for one-time events, or short-term projects in Pike County, that address the areas of mental health, substance abuse prevention/intervention, and/or intellectual/developmental disabilities.

Applicants may apply for Emergent Grant funding any time of the year. There is no deadline to apply. You do not have to be a currently funded agency to receive Emergent Grant funding from the Pike County 708 Board. Applications are limited to amounts **up to \$5,000**. The Pike County 708 Board will review applications at each Quarterly Meeting, listed on the Pike County website. Multiple awards will be available each year.

The Pike County 708 Board reserves the right to negotiate with providers for all, or part of the application components.

Applications for funding may come from an individual, public, or private entity. The one-time event or short-term project's focus must be in the areas of mental health, substance abuse prevention/intervention, and/or intellectual/developmental disability. The applicant must use the funds within the Pike County 708 Board's fiscal year.

## **Applications for Emergent Grant funding are available year-round:**
