RE: COVID-19 Outbreak - Closure of Food Service Establishments

Date: Sunday March 15, 2020 at 5PM

PCHD staff has become aware of Governor Pritzker's announcement regarding the closure of Food Service Establishments. At this time, there has been no official announcements of restaurant closures nor has there been guidance from IDPH on this announcement. We understand the concern and the time sensitive nature of an abrupt closure like this and we will be notifying food service establishment owners as soon as we receive an official ruling on this matter.

If you have specific questions please refer them to the contact information below and we will return them as soon as we have an official ruling. Please remain patient as we work through this public health emergency together.

Thank you,

Payton Dean
