PUBLIC SERVICE ANNOUNCEMENT

Start Date: 3-15-20

Stop Date: 3-22-20

Clinic Cancellations regarding COVID-19

With the social distancing recommendation put in place by the CDC and Governor JB Pritzker, Pike County Health Department has temporarily halted some services. This includes WIC clinics, Immunization clinics, Family Planning services and non-emergency dental services beginning Monday, March 16th. If you have any questions regarding these clinic closures, please contact the program staff at the health department.

At this time, we do not have any confirmed COVID-19 cases in Pike County. However, cases have been identified in Central and Southern Illinois.

PCHD staff members continue to receive daily updates from the Illinois Department of Public Health (IDPH) and the Centers for Disease Control and send out pertinent health messages to local health care providers as needed.

IDPH has launched the Illinois Novel Coronavirus Hotline and created an email address to answer questions the general public regarding the 2019 novel Coronavirus. Illinois residents can dial 1-800-899-3931 twenty-four hours a day, seven days a week or email DPH.SICK@ILLINOIS.GOV to get their questions answered.
