TOWNSHIP CAUCUS GUIDE FOR 2021

Issued by the
Illinois State Board of Elections

Issued: July 2020

INTRODUCTION

Political Party Township Caucuses: Township caucuses shall be held by each established political party on the first Tuesday in December preceding the date of the township election. For the 2021 Consolidated Election, the township caucuses will be held on Tuesday, December 1, 2020. (60 ILCS 1/45-10)

Political Party Multi-Township Caucuses: Multi-township caucuses shall be held by each established political party on the first Wednesday in December preceding the date of the multi-township election. For the 2021 Consolidated Election, the multi-township caucuses will be held on Wednesday, December 2, 2020. (60 ILCS 1/45-25(a))

When to Hold a Primary Election: Most townships in Illinois use the caucus method of nominating established party candidates for township office; however, a primary election is required for nominations of political party candidates for township officers in townships of over 5,000 population whose boundaries are co-extensive with or lie wholly within incorporated towns, villages, or cities not under the commission form of government. (60 ILCS 1/45-5, 10 ILCS 5/7-1(a))

In counties with a population of more than 3,000,000 (e.g. Cook County) and in townships with a population of more than 15,000 in counties other than Cook, the township central committee of a political party may decide to nominate its candidates by primary election. If the township central committee decides to hold a primary, it must file a statement of that determination ([SBE Form M-11](#)) with the county clerk no later than November 15, 2020, preceding the township election. If any part of a township is within the jurisdiction of a board of election commissioners, the township central committee must promptly notify that board of the determination. (60 ILCS 1/45-55)

Caucus costs: The costs of the caucus are borne by the (multi) township. (10 ILCS 5/17-30; 60 ILCS 1/45-45)

NOTE: For the purposes of this guide, “(multi) township” is to indicate that the provision applies to both townships and multi-townships. When information differs (dates, etc.) multi-township and township have been separated.

FORMS

Election law prescribes the general format of election forms to be used and the State Board of Elections (“SBE”) has prepared suggested forms. The suggested forms provided by the SBE may be utilized, or if the forms are not mandated, they can use a version of forms they create themselves that include the legal requirements set by the Election Code.

All suggested forms are available to be copied from the back of this guide. Forms are also available for purchase from election supply companies. Local election officials are advised to contact their election authority (county clerk or board of election commissioners) regarding the availability of forms.

(60 ILCS 1/45-50(a)(1-4))

CAUCUS DAY PROCEDURES

Please note that while some procedures below are explicitly required by 60 ILCS 1/45, some are simply suggested procedures to follow. For more information on caucus day procedures, review 60 ILCS 1/45 for specific information.

1. Upon entering the room where the caucus is held, caucus judges have each participant sign an affidavit stating that they are a registered voter in the (multi) township and are affiliated with the established political party conducting the caucus. ([SBE Form H-1](#)) (60 ILCS 1/45-50(c)(3))
2. At the appointed time, the chair of the (multi) township central committee shall call the meeting to order. The first order of business shall be to elect a secretary from the assembly. The secretary-elect should take their place next to the chair and proceed to record the caucus business. The Rules of Procedure, which will have been drafted by the appropriate (multi) township central committee, must be approved and may be amended by a majority vote of the qualified participants attending the caucus. (60 ILCS 1/45-50(a))
3. The chair, or presiding officer, shall then announce the method of voting selected by the (multi) township central committee, introduce the caucus judges of election, and announce the offices for which nominees are to be chosen.
4. The chair shall call for opening nominations for each office according to the order in which the offices will appear on the township election ballot. Nominations from the floor may be made and no second is required; however, one or more members of the caucus may wish to offer a second as a form of endorsement. The chair should repeat each nomination as is illustrated in the following:

Chair: Nominations are now in order for candidates for the office of township supervisor.
Member: I nominate Mr. Smith
Chair: Mr. Smith is nominated. Are there any further nominations?
5. When it appears that no one else wishes to make any further nomination for an office, the chair should again ask the assembly if anyone has a further nomination to offer and, if not, they shall declare the nominations closed and proceed to either vote on the nominations or proceed to open nominations for the next office, depending on the procedure that the (multi) township central committee has selected.

6. For **township caucuses**, the caucus judges of election are responsible for tallying the vote, with the township central committee acting as the canvassing board (60 ILCS 1/45-20(a)). For **multi-township caucuses**, there is some ambiguity in the statutory language, but in practice most multi-township caucuses are canvassed by the multi-township central committee. For jurisdictions operating under board of election commissioners, the board shall make abstracts or statements of the votes for all offices and questions voted on at the election. (10 ILCS 5/22-8) If any method other than a written ballot is employed, the canvass will be concurrent with the tallying. For instance, if a voice vote is issued, the caucus judges of election will make their report with the concurrence of the (multi) township central committee; such concurrence shall take the place of the canvass. The chair will then declare the candidates nominated.
7. If written ballots are used, the SBE advises having a centrally located ballot box over which the caucus judges of election can maintain control. A reasonable amount of time should be allowed for voting. When it appears that those wishing to vote have done so, the chair shall inquire as to whether there is anyone who has not completed their vote. If there is no reply from the floor, the chair shall declare the balloting closed. The caucus judges of election shall immediately begin tallying the votes. As soon as tallying has been completed, the (multi) township central committee shall proceed to canvass the caucus report. Upon completion of the canvass, the chair shall announce the results and declare the nominees).* The voters participating at an established political party (multi) township caucus shall not select for nomination more candidates than there are to be elected for each office.
8. When the selection of all nominees has been completed, the chair shall call for a motion from the floor to adjourn. After the motion is seconded, a voice vote on adjournment shall be taken. Upon an affirmative vote, the Chair then adjourns the meeting.

** No candidate for nomination at a caucus shall be required to (1) circulate and file nomination petitions or (2) file a fee in order to become a candidate at the caucus. (60 ILCS 1/45-50(e))*

POST CAUCUS PROCEDURES

MULTI-TOWNSHIP and TOWNSHIP CENTRAL COMMITTEE

Caucus Results: The **township central committee** shall canvass and declare the results of the caucus. (60 ILCS 1/45-20(a))

This certifies to the election authority (pursuant to the general election law of Illinois) the offices and names of the nominees for each office as they appear upon the Certificate of Nomination by Caucus. This must be filed not less than 68 days before the April 6, 2021, Consolidated Election, which is January 28, 2021. (10 ILCS 5/7-60.1, 60 ILCS 1/45-20(c))

candidates for the Consolidated Election ballot. Such determination shall be made in the office of the local election official and shall be open to the public. Three days written notice of the time and place of conducting such random selection shall be given by each local election official to the county chair of each established political party, and to each organization of citizens within the election jurisdiction which was entitled, under Article 7 of the Election Code, at the next preceding election, to have pollwatchers present on the day of election. Each local election official shall post in a conspicuous, open and public place, at the entrance of the office, notice of the time and place of such lottery. The local election official shall then file the Certification of Political Party Ballot Placement Lottery ([SBE Form M-1](#)) as part of their official certification of candidates to the election authorities whose duty it is to prepare the official ballot for the consolidated election in that political subdivision. (10 ILCS 5/7-60.1)

Exception – Townships under Board of Election Commissioners: If the township is entirely within the corporate limits of a city, village, or incorporated town under the jurisdiction of a board of election commissioners, the nomination papers and the results of the party ballot placement lottery form shall be filed in the office of the board of election commissioners instead of the township clerk.

NOMINATED CANDIDATES FOR ASSESSOR

The Certificate of Nomination by Caucus, Statement of Candidacy, the Loyalty Oath (optional), and receipt for filing a Statement of Economic Interests filed on behalf of a candidate for the office of (multi) township assessor are not valid unless the candidate files with the township clerk or board of election commissioners, as the case may be, proof of their qualifications pursuant to Section 2-45 of the Property Tax Code. (35 ILCS 200/2-45(e)) In accordance with the Property Tax Code, a candidate for (multi) township assessor cannot file nominating papers or participate as a candidate unless a copy of the certificate of their qualifications is filed with the township clerk, board of election commissioners, or other appropriate authority as required by the Election Code. (35 ILCS 200/2-45(b)) See the 2021 State Board of Elections' Candidate's Guide for more information regarding these qualifications.

The appropriate election authority shall notify the candidates for township assessor or multi-township assessor of the obligation to file proof of their qualifications as provided in Section 2-45 of the Property Tax Code. (60 ILCS 1/45-40)

(10 ILCS 5/7-127, 5/10-6.1) However, if a candidate files their nomination papers by mail, or an agent of the candidate files their nomination papers, the Board or the county clerk with whom the petitions were filed will send the notice to the candidate by first class mail within 2 business days.
