

## Information needed for Brandy to sketch (FARM)

If I do not have all the information I can't give a correct estimate.

Name of person calling

Phone number to contact

Township where building will be placed

Parcel number

Type of building

Size of building

Eave Height

Living quarters Y or N

Type of floor

Insulation

Electrical

Plumbing

Bathrooms

Sides open/closed

If so how many closed?

Any other information that might help in sketching:
