Pike County, IL – With the rise in COVID-19 cases nationwide, the Pike County Health Department (PCHD) would like to vaccinate as many residents as possible. As of 4/23/2021, only 24.58% of Pike County residents are fully vaccinated. According to the Illinois Department of Public Health's (IDPH) website, there have been 1,776 cases of COVID-19 in Pike County and 51 COVID-19 related deaths. Currently, Pike County has 122 new cases per 100,000 people, which puts Pike County at the warning level.

PCHD will be conducting COVID-19 Vaccination Clinics at the Health Department on the following dates and times by appointment only:

- April 30th
Moderna: 9:30 am - 12:30 pm
- May 6th
Johnson & Johnson: 1:30 pm – 2:30 pm
- May 13th
Johnson & Johnson: 3:00 pm – 4:30 pm
- May 20th
Johnson & Johnson – 10:45 am – 11:45 am, and 2:30 pm – 3:30 pm

To register, please call PCHD at 217-285-4407 and use option 8 to leave a message with your name, phone number, and date of birth. If you prefer a certain vaccine (Johnson & Johnson, Moderna, or Pfizer), please indicate in your message. You can also register online at <https://pikecountyil.org> and click on the red banner at the top of the page. May clinic schedules will go live the 1st week of May.

Please do your part in controlling the spread of COVID-19 by wearing a mask, socially distancing, washing your hands, and get a vaccination.
