Prevent . Promote . Protect

606 W. Adams Street  
Pittsfield, IL 62363  
217-285-4407

**FOR IMMEDIATE RELEASE  
10/28/2022**

The Pike County Health Department is now administering bivalent COVID-19 booster vaccines.

According to the amended emergency use authorizations from the FDA and recommendations from ACIP and CDC, bivalent vaccines can be used as a single booster dose at least two months following a primary series or booster vaccination.

Pfizer bivalent COVID-19 boosters have been authorized for individuals ages 5 years and older.

Moderna bivalent COVID-19 boosters have been authorized for individuals ages 6 years and older.

The Pike County Health Department's immunization clinic is open on a walk-in basis Monday and Thursday from 1:00pm-5:00pm.

Individuals wishing to receive a vaccine should bring their photo id and insurance cards.
