COVID-19 Drive-up Testing Site to be Discontinued

Pittsfield, IL – Pike County Health Department (PCHD) has been notified that the free federal COVID-19 testing program they provide will be ending on December 31st. PCHD has been providing COVID-19 PCR testing through the free federal COVID-19 testing program, managed through the Centers for Disease Control and operated by Midwest Coordination Center since December 2021. During this time, approximately 1,130 tests have been completed.

COVID-19 testing at the health department will continue to be available in December as follows:
Tuesdays, Wednesdays, and Thursdays from 8:30 – 11:30 when community transmission is high,
Tuesdays and Thursdays from 8:30 – 11:30 when community transmission is medium,
Thursdays from 8:30 – 11:30 when community transmission is low. Results typically take 1-2 days.
